Uniform Advertisement Details

Each sponsor will have his or her company name posted on the front of the jersey. There is a standard uniform print design for all teams. If a sponsor wishes to utilize a unique logo on the team shirt, that responsibility goes to the sponsor in question not the PEFYA organization. At the present time Pairet's of Farmville produces our jerseys. Any custom logo must be addressed directly to Pairet's. Any mistakes or misunderstandings between Pairet's and the sponsor are not the responsibility of PEFYA as pertaining to the custom logos. PEFYA will not permit player names to be imprinted on soccer jerseys. Any additional cost inquired for custom logos are the responsibility of the sponsor. Sponsors have the option to select the preferred color for their jersey, however you will not be permitted to change the style of the jersey. The traditional jersey style must be used. Notification of special logos and jersey color selections must be made in advance to the PEFYA Soccer Director. This request must be submitted via email prior to February 20th, 2010 (email listed on previous page).
